Julie.Blomquist@co.anoka.mn.us

Streetlight Outages

The City of Lexington has streetlight maintenance contracts with the electric utility company that serves your neighborhood. If you notice that a streetlight is not working, please contact your electric company directly. You may be asked for a pole number.

Connexus: 763-323-2650
 Xcel Energy: 800-895-4999

REMEMBER

If someone stops by your house selling anything, they must have a Peddlers/Solicitors License issued by The City of Lexington. Make sure to ask to see their license. If they do not have one they are not allowed to sell in our city.

Resolve to Live a “Less-Waste” Lifestyle in 2018

AnokaCounty.us/recycle is all about maximizing reducing, reusing and recycling efforts to live like every day is Earth day.

Earth Day is coming up on **April 22st** Look for ways to go green and take part in activities and campaigns both locally and nationally ! www.earthday.org/take-action/

There are lots of ways to celebrate Earth Day, but there are even more ways to make the effort to live like every day is Earth Day. Find some tips here. <https://www.epa.gov/earthday>

Here's are a couple of ideas:

Item: [Plastic Shopping Bags](#)

Problem: They can't go in the recycling bin because they cause problems at recycling sorting facilities. But there are recycling options available to keep them out of the garbage.

Solution: Purchase some durable reusable bags and get rid of the need for plastic bags altogether.

For the bags you do get, collect them separately and bring them to [drop-off locations](#) to be recycled, or find ways to reuse them. www.plasticfilmrecycling.org/s01/s01dropoff.html

Item: [Junk Mail](#)

You can recycle junk mail, but you can also avoid getting it. Take your name off of junk mail lists to reduce the amount of paper you receive.

www.rethinkrecycling.com/residents/materials-name/junk-mail

Moving Towards 75 Percent

The state of Minnesota has set a goal of 75 percent recycling by 2030. The [current recycling rate](#) is about 47 percent, so there's more work to be done! Use your plan to reduce as a springboard into greening even more in your home. Get some tips on how to [improve your recycling](#) and use your [county resources](#) to get the most out of your recycling program while reducing the non-recyclable items you end up with.

About RethinkRecycling.com

Minnesotans recycle over 2.3 million tons of paper, glass, metals, plastics, yard waste, and more each year, which create new products, such as cans, cardboard, newspaper, carpet, clothing, furniture, and much more. RethinkRecycling.com, provided by the Solid Waste Management Coordinating Board, is your go-to guide for waste and recycling in the Twin Cities.

WARNING: Grass clippings **DO NOT** belong in the street

The City of Lexington and Rice Creek Watershed District want you to remember.....

When mowing your yard, direct your mower to blow clippings onto your property. **DO NOT** allow grass clippings to be blown into the street, **any clippings must be swept up immediately.** Violation is punishable as a misdemeanor and/or fine.

POWER PACKS

Food for thought:

Did you know.....

- *One in five Minnesota families with children will experience hunger or food insecurity.*
- *Approximately 1/3 of those served by the Centennial Food shelf are children.*
- *Hunger is known to have a negative impact on learning*

A Powerpack Provides:

One milk

Two Breakfast Items

Two Dinner Items

Four Healthy Snacks

Power packs are sponsored by Centennial Food Shelf and Centennial Schools and distributed to students.

To donate contact:

Centennial Middle School

763-792-5400

Wanted

Caring, Giving, Fun Loving People Like You
Be a part of the largest service organization in the WORLD...

People who care about the community, schools, kids, people in need and want to have fun doing it together. People who are willing to give a few hours in a month to help make a difference are needed and wanted...

Put your family, your church and your job first and then give us some time...when you can.

Come to the

CIRCLE PINES LEXINGTON LIONS

With new ideas, new projects and some fun program ideas.
