Subject: YMCA Memberships

Hi Bill,

I thought I sent this on Monday, but then I did not see it in my "sent items" folder, so I wanted to resend it. If this is a duplicate email, my apologies.

Our membership is \$69 a month per person. If the City of Lexington would like to prepay for the membership we could lower the cost to \$759 for the year and waive the \$50 enrollment fee. In addition, we would waive the corporate wellness fee (\$200 annual value), which would provide all city of Lexington employees complimentary towel service (\$132 annual value) and a \$15 month reimbursement if they come 12 times a month (\$180 annual value). If your health insurance offers any health insurance reimbursements those discounts could be stacked.

Please let me know your thoughts. Thank you.
