

**AGENDA
CITY OF LEXINGTON
REGULAR COUNCIL MEETING
MAY 20, 2021– 7:00 P.M.
9180 LEXINGTON AVENUE**

1. PLEDGE OF ALLEGIANCE

2. CALL TO ORDER: – Mayor Murphy

- A. Roll Call - Council Members: DeVries, Harris, Hughes and Winge

3. CITIZENS FORUM

This is a portion of the Council meeting where individuals will be allowed to address the Council on subjects which are not a part of the meeting agenda. Persons wishing to speak may be required to complete a sign-up sheet and give it to a staff person at the meeting. The Council may take action or reply at the time of the statement or may give direction to staff for future action based on the concerns expressed.

4. APPROVAL OF AGENDA WITH CHANGES AND CORRECTIONS

5. CENTENNIAL LAKES POLICE DEPARTMENT – 2020 ANNUAL REPORT

pp. 1-32

6. LETTERS AND COMMUNICATIONS:

- A. Centennial Lakes Police Department – Media Reports 4-28 through 5-11, 2021 **pp. 33-43**
- B. City Report – April 2021 **pp. 44-49**
- C. North Metro TV – April 2021 Update **pp. 50-56**
- D. Planning & Zoning meeting minutes – May 11, 2021 **pp. 57-59**
- E. Park Board meeting minutes – May 3, 2021 **pp. 60-61**

Consent Agenda:

The Consent Agenda covers routine administrative matters. These items are not discussed, and are approved in their entirety pursuant to the recommendations on the staff reports. A Council Member or citizen may ask that an item be moved from the Consent Agenda to the end of section 7 of the agenda in order to be discussed and receive separate action.

7. CONSENT ITEMS:

- A. Recommendation to Approve Council Minutes:
Council Meeting – May 6, 2021 **pp. 62-64**
- B. Recommendation to Approve Claims and Bills: **pp. 65-76**

Check #'s 47650 through 47780
Check #'s 13799 through 13812

C. Financial Reports

- Cash Balances
- Fund Summary – Budget to Actual

pp. 77
pp. 78-79

Action Items:

These items are intended primarily for Council discussion and action. It is up to the discretion of the Mayor as to what, if any, public comment will be heard on these items. Persons wishing to speak on discussion items must complete a sign-up sheet and give it to a staff person at the meeting.

8. ACTION ITEMS:

- A. Second Reading and Recommendation to approve Ordinance 21-02 an Ordinance Relating To and Regulating Targeted Picketing In Residential Neighborhoods in the City of Lexington
- B. Recommendation to approve Solicitors License – Ace Solid Waste – Rick Brambrink
- C. Recommendation to approve Park Board recommendation for painting Memorial Park Shelter
- D.

pp. 80-81

pp. 82

under separate cover

9. MAYOR AND COUNCIL INPUT

10. ADMINISTRATOR INPUT

11. MOVE TO CONVENE REGULAR COUNCIL MEETING TO CLOSED SESSION

12. CLOSED EXECUTIVE SESSION

- A. The purpose is to discuss the AFSMCE Union Contract negotiations.
- B. This portion of the meeting is closed pursuant Minn. Stat. Section 13D.05, subd. 3(b), and is permitted by the attorney-client privilege to discuss legal aspects of options related to the interconnected water and sewer with the City of Blaine. This portion of the meeting is also closed pursuant Minn. Stat. Section 13D.05, subd. 3(c), and is permitted to determine the asking price for, and to develop or consider offers or counteroffers for the purchase or sale to parts of the interconnected water and sewer with the City of Blaine.

13. MOVE TO RECONVENE REGULAR COUNCIL MEETING

C. Recommendation to approve Collective Bargaining Agreement 6/1/2021-5/31/2024

under separate cover

14. ADJOURNMENT

/mv

No Workshop due to lack of agenda items

Our Cities, Our Department, Our Mission. Our Motto, and Our Values.

The Cities of Lexington, Circle Pines, and Centerville are suburban communities that are part of a metropolitan area that is conveniently located just north of Minneapolis/St. Paul. The quality of life for our citizens is exceptional. Our community offers affordable housing, a variety of recreational and open space opportunities, convenient shopping, as well as very responsive municipal services.

There are excellent educational opportunities available to our residents through the Centennial School District and numerous quality colleges and universities within easy commuting distance. Our community affords the serenity, safety, and stability of small-town living yet we are close to the amenities of the big city.

In most satisfaction surveys our resident's rate their overall quality of life as "excellent" or "very good". Citizens feel safe in their homes, neighborhoods, parks, and schools. They are also appreciative of the high level of local safety services.

Our three Cities have combined resources to create the Centennial Lakes Police Department, a unique joint governance law enforcement agency. We are comprised of 23 highly professional sworn and civilian personnel who are dedicated to delivering quality safety service to our citizens.

Local fire protection and suppression service is provided by the Centennial Fire District and the Lexington Fire Department. These agencies combine with the Centennial Lakes Police Department, the Allina and MHealth Ambulance services to provide an excellent emergency medical rapid response system.

Our police department responds to all calls for service, enforces criminal and traffic laws, provides deterrent patrol, engages in proactive policing and problem-solving measures, and fosters positive interactions with our citizens.

It is the Mission of the Centennial Lakes Police Department to enhance the quality of life for those living in our three Cities by providing highly professional and responsive safety service.

We are dedicated to carrying out our Mission with pride and professionalism. We value quality and integrity in police work and we are committed to continued safety and stability of our three Cities. We are also committed to organizational excellence and to fulfilling **our Motto of "Serving with Courage and Compassion"**.

Chief's Message Chief James Mork

It is my honor and privilege to present our
2020 Annual Report.

While this report is not a complete picture
of everything that occurred in 2020,
we do think it does well to highlight
certain events and give you an inside look
into what the staff at the
Centennial Lakes Police Department
does day in and day out.

2020 has been a very challenging year. A global pandemic, racial tensions, civil unrest, combined with widespread unemployment made last year destined by many for the dustbin of history. What is important to know is how well the officers and staff of the Centennial Lakes Police Department stepped up and met the challenges of this unprecedented time. Leaving each call better than they found it, and partnering with the community wherever and whenever possible. Their dedication to our communities has not gone unnoticed. CLPD officers and staff have been extremely helpful and gracious to me too, as I adjusted to this new position. I am thankful to former Chief Coan and his dedication to this department over the years. His leadership provided me the opportunity to take over a department that was on the right track already. My challenge was to lead this great department of women and men and to provide everything they need to thrive in this unique environment.

The Centennial Lakes Police Department is advancing progressive strategies essential in contemporary law enforcement. Core components of these efforts are centered on:

- The suppression and prevention of crime.**
- The enforcement of traffic laws related to distracted and intoxicated drivers.**
- The continuation of community engagement and outreach.**
- The promotion of transparency and accountability.**
- And the commitment to employees and their well-being.**

A focused and healthy police department that partners with their communities and various stakeholders will inevitably bring about positive changes for all. The challenges of 2020 have certainly prepared us well to adapt and adjust to anything that might come our way in 2021.

I wish to thank our entire staff, our Governing Board, City Administrators, and our citizens for their continued support and cooperation.

Serving with Courage and Compassion,

James Mork

Chief of Police

Lieutenant's Message

Lieutenant Pat Aldrich

For the past 21 years, I have considered the CLPD to be my second home. Although 2020 has been an extremely tumultuous year, we as an agency have grown incrementally. We have faced several challenges throughout the past year. COVID-19, civil unrest and the introduction of a new Chief all have demanded our officers to adapt to many unfamiliar scenarios. My roles and responsibilities have changed dramatically in 2020. I have welcomed these challenges and have appreciated all the assistance I have received from my supporting staff.

I am sure almost everyone can now relate to the concept of "working from home." For the better part of two months, I was on a rotating

schedule which I was at the office every three days. The other work days I was working remotely from home. Having two adolescent children and a dog, I have a great understanding of the word "distraction." I learned quickly that I was much more productive when I was working at the office. So, when we got back to working at the office full-time, I realized the CLPD environment is truly my second home.

COVID-19 had completely changed our working environment, preparation and response. We have created a safer physical environment for our non-sworn staff. Our clerical area was remodeled to help with social distancing, and we have been doing weekly deep cleansing and sanitization of the police department. We had to eliminate public access to our facility. Important public services were also discontinued, for example: the drug intake box, ride-a-longs and fingerprinting. We were tasked with obtaining mass quantity of supplies such as personal protective equipment, disinfectant wipes and hand sanitizer. Our officers were introduced to a non-traditional police response to most calls by handling over the phone. Being a community-oriented police department, we have lost many opportunities to establish personal rapport with our citizens and business owners.

With the appointment of a new Chief, the re-alignment of our command staff, and shortage of personnel, I have taken on more responsibilities. Aside from my traditional duties such as overseeing the overall patrol operations, officer training and personnel matters, I was challenged to quickly learn other important functions of our agency. I became familiar the inner workings of our policy manual system. We have joined the 21st century and have implemented new electronic scheduling software. This gives employees the opportunity to check their schedule remotely. Also, I now have more oversight of the budget and building maintenance aspects from an administrator's role.

We were able to successfully hire two officers in 2020. These two young officers will be excellent ambassadors to our three communities. I could not have been as successful in my endeavors without the help of our entire staff. Even though recent incidents, and civil unrest have placed a negative portrayal of policing, we have an excellent staff of police officers, three wonderful communities who love us, and we have not allowed civil unrest affect the way we provide service to our constituents. We are going to continue to grow as a progressive, professional and compassionate police agency. We continue to expect positive change in policing, and welcome any opportunity to show our true colors by *serving* your communities with *courage* and *compassion*.

Pat Aldrich

Lieutenant

Department History

In the late **1940's**, Herman Heath became the first day-time Constable for Circle Pines. City Councilmen took turns providing policing duty at night. After formation of the village, a "one-man" police department was formed. The Village of Circle Pines acquired an ambulance/squad car to patrol and to transport injured or ill residents the many miles to the nearest hospital.

In **1954**, Joseph Matzke became the first Lexington police officer. Officer Matzke was paid \$10 per month to cover gas and other expenses, plus he received a portion of the fines assessed for infractions of ordinance.

As early as **1965**, a joint police force was discussed between Lexington and Circle Pines. It wasn't until **1975** that a joint powers agreement was adopted by the two cities creating a combined police department. The police department was governed by a commission, rather than directly by the two city councils. Ronald Nicholas became the first Chief of the Circle Pines-Lexington Police Department.

The department, consisting of four officers, was first housed in a portioned-off corner of the Circle Pines "fire barn". Part-time officers were later added to extend coverage. All officers shared one police patrol car, a **1973** Plymouth inherited from the City of Lexington.

In **1978**, the police department moved from the fire barn to an office in the shopping area of 9201 Lexington Avenue. In June of **1986**, the department moved again, this time into the lower level of the new Circle Pines City Hall.

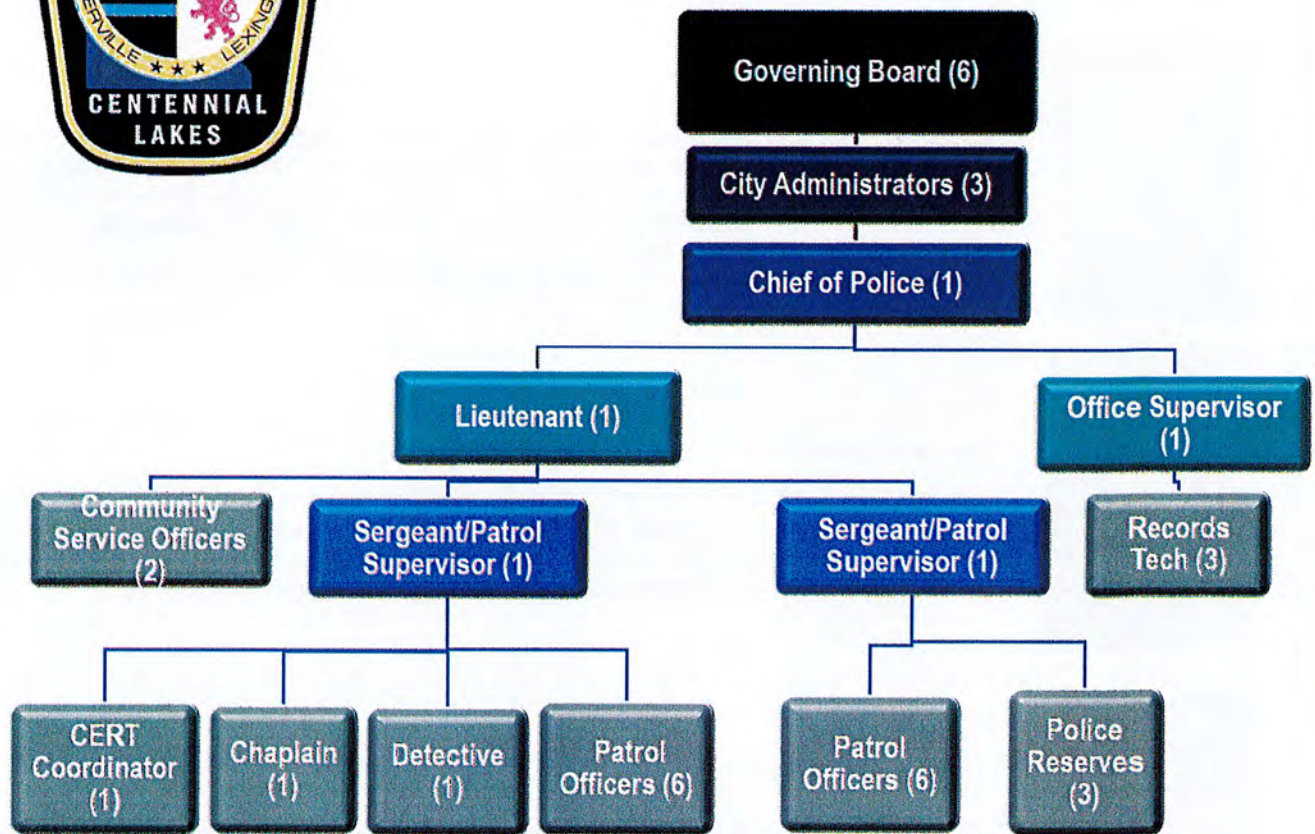

In **1991**, the Circle Pines-Lexington Police Department began providing contracted police protection to Centerville. In December of **1999**, a Joint Powers Agreement was completed, and on January 1, **2000**, a tri-city "Centennial Lakes Police Department" was formed to provide law enforcement and safety services to the cities of Lexington, Circle Pines, and Centerville.

In **2006**, a new police station was built on the corner of North Road and Lake Drive in Circle Pines. Today the Centennial Lakes Police Department is comprised of 17 sworn officers and 6 civilians who are fully dedicated to providing quality service to our three cities. Exceptional personnel, a low crime rate, public confidence in our ability and integrity, policies and practices in accord with national standards, and innovative problem-solving and outreach programs are just a few of our noteworthy accomplishments.

We take great pride
in our entire
community, our
department, and in
our commitment to
protect and serve
the citizens of the
cities of Lexington,
Circle Pines, and
Centerville.

2020 Organizational Structure

Leadership Team

James Mork
Chief of Police

Responsible for overall operations and functions of the Centennial Lakes Police Department, including public information/media, and emergency management. He holds a Bachelor of Arts Degree in History from Bethel College, received his Law Enforcement Certificate from Metro State University, earned a Master's Degree in Police Leadership, Education, and Administration from the University of St. Thomas, and is a graduate of Northwestern University School of Police Staff and Command.

Pat Aldrich
Lieutenant

Responsible for patrol operations and community service. He holds a Bachelor of Science Degree in Criminal Justice from the University of St. Thomas and a Master of Science Degree in Criminal Justice from Metropolitan State University. Lt. Aldrich is a graduate of the Senior Management Series at the Minnesota Bureau of Criminal Apprehension (BCA) and is a graduate of the Public Safety Executive Leadership Program in the Humphry School of Public Affairs at the University of Minnesota. Pat is currently an adjunct professor at Century College where he has worked with the Minnesota State Patrol LETO program, DNR Academy and Pathways program for law enforcement professionals.

Matt Giese
Sergeant/Patrol Supervisor

Responsible for day and afternoon shift supervision of patrol personnel. Field Training Officer, Use of Force instructor, Taser instructor, and Body Worn Camera Program Administrator. He holds an Associates of Science Degree in Law Enforcement from Alexandria Technical college. Sergeant Giese is a graduate of the Supervision and Management Program at the Minnesota of Bureau of Criminal Apprehension.

Nolan Wahlberg
Sergeant/Patrol Supervisor

Responsible for evening and night shift supervision of Patrol officers. He is the department firearm instructor, less lethal instructor and Taser instructor. Sgt. Wahlberg also operates as a field training officer. Sgt Wahlberg is a graduate from the University of Minnesota- Crookston and holds a Bachelor degree in Criminal justice with a Law enforcement emphasis.

Kathy Honkomp
Office Supervisor

Responsible for management of office/records functions and personnel. She holds a degree in Computer Operations from Century College and a certificate in Operating Systems/Fundamentals of Electronic Data Processing from Saint Paul Technical College.

The Cities We Serve **CENTERVILLE**

The **City of Centerville** is located in eastern Anoka County approximately 13 miles north of St. Paul. Centerville's population of nearly 4,000 people encompasses an area of 2.4 square miles.

Centerville and Peltier Lakes provide the area with recreational opportunities for fishing and boating. Centerville is also the entrance for the Rice Creek Chain of Lakes County Park and Trail System. The park includes a beach, a boat launch, a large campground, a walking/biking trail, a playground, and facilities for family events and civic functions. The entire park is a popular destination for outdoor sports enthusiasts and families seeking a rural-like refugee from the big city.

Centerville is a growing community with a business park and land available for future residential and retail development. The City is home to St. Genevieve's Church and nearby Eagle Brook Church. The close-knit community hosts a number of very popular civic events throughout the year including fishing tournaments, running and bicycle races, ski shows, and the Fete des Lacs summer festival and parade.

The Cities We Serve

CIRCLE PINES

The **City of Circle Pines** is located 15 miles north of Minneapolis and borders the Cities of Blaine, Lino Lakes, Shoreview, and Lexington. Circle Pines is a predominately residential community of over 5,000 people. The 2 square miles of land area is fully developed. Lake Drive is a major thoroughfare through the City providing direct access to area freeways.

Circle Pines is the only suburban city that operates its own natural gas distribution company – a result of its cooperative history. The system serves all of Circle Pines and portions of the Cities of Blaine and Lino Lakes. Circle Pines also provides its own water and sewer utilities to its residents.

Circle Pines is a great place to live, raise a family, do business, or just visit. In 2011 the City of Circle Pines was named by CNBC as the "3rd Most Perfect Suburb in the United States". The local Centennial School District is highly regarded in the State of Minnesota providing area students with award winning academic and athletic programs and facilities.

Circle Pines is a vibrant community with a diverse housing stock. A small but successful business community supports its primarily residential base. The City is home to a County branch library, area post office, many parks and open spaces, walking paths, several lakes, and a variety of recreational facilities. The City of Circle Pines boasts a comprehensive municipal service center and is dedicated to livability through quality services.

The Cities We Serve **LEXINGTON**

Located in the southeastern corner of Anoka County the **City of Lexington** is a small suburban community of just over 2,000 residents. The very proud and tight-knit community is adjacent to the I-35W freeway providing easy access to virtually anywhere in the Minneapolis/St. Paul metropolitan area.

Lexington is host to a variety of businesses, retail shops, restaurants, and several very popular entertainment venues. The Northway Shopping Center located along the central corridor of Lake Drive includes a grocery store that provides goods and services to a much larger area population base.

Lexington Memorial Park is a popular venue for summer little league teams from throughout the region. Residents enjoy a variety of other recreational amenities associated with this very large park complex.

The City of Lexington was incorporated as a village in 1950. Leo Ryan was a local civic leader who was instrumental in organizing the petition for the new village. Ryan suggested that the village be named Lexington in honor of his old army unit, the First Pioneer Infantry Regiment which was formed at the beginning of the Revolutionary War. That unit met the British in the Battle of Lexington.

Various City themes and names now revolve around the Revolutionary War and Battle of Lexington, including the City's Minuteman logo and many street names including Patriot Lane, Liberty Lane, and Minutemen Lane. The citizens of the City of Lexington are very proud of their history, heritage, and home town.

Criminal Investigations Unit

The investigations unit of the police department continues to be a proactive resource for the citizens in Circle Pines, Lexington, and Centerville. In 2020, the **investigations unit** reviewed hundreds of reports that were submitted by patrol officers, Anoka County Child Protection, Minnesota Adult Abuse Reporting Center, and other agencies, along with information obtained from citizens and confidential informants during the course of their work.

Our investigations unit relies on body worn camera footage resulting in prompt and successful resolution of cases. Other duties of our investigation's unit include reviewing gun permit applications, conducting employment background investigations, managing digital evidence, processing physical evidence, forfeitures, filing cases with prosecutors, and preparing and serving search warrants.

Detective Dennis Spreng

Support Services Bureau

The Records/Clerical **Support Services Bureau** provides essential assistance to Centennial Lakes officers, administration, other criminal justice agencies and the citizens of Centerville, Circle Pines, and Lexington. The members of the Records/Clerical Support team take great pride in providing excellent customer service while offering assistance with accurate crime data information.

Police Record Technicians are responsible for all aspects of document control, to include copying, distribution, data entry and filing of police reports, records, and citations. In addition to maintaining police records, the support staff responds to various inquiries by phone, walk-in, email and direct mail from the public and other criminal justice agencies.

MEET OUR SUPPORT STAFF

Jean Alt

Donna Anderson

Alyssa Zech

Community Service Officers

Our **Community Service Officers (CSOs)** engage in a wide variety of para-professional support duties, including investigating civil complaints and enforcing city ordinance code violations. The CSO's goal is to gain voluntary compliance with property maintenance ordinances in all three of our Cities.

The Community Service Officers also perform vehicle lock-outs, patrol our parks, respond to medical emergencies, conduct animal control duties, support the clerical staff, collect and transport abandoned property, and assist with traffic control at special events and accident scenes.

They play an integral role in supporting and assisting our sworn officers and in maintaining the quality of life enjoyed by our citizens.

Community Service Officer
Elena Daddario

Community Service Officer
Jeff Lambrecht

Police Chaplain

**Chaplain
Joel Heckman**

During January 2020 I was able to meet with officers and staff normally as in the past. On January 4th I enjoyed a luncheon with officers and was introduced to a new officer hire. On the 13th of January, the CLPD 2019 holiday event was held having been rescheduled from the original December 2019 date. While there I was privileged to share a word of encouragement and a prayer with the officers and staff in attendance.

On February 10th I enjoyed a ride along with Officer Schroeder who had recently completed his field training program. After the ride along we attended the government meeting for the swearing in of officers and honored CLPD - IT retiree Larry Hutchinson.

March 2020 brought the shutdown of normal activities necessitating my relinquishment of all external (community) chaplain involvement. This was most difficult for me. Internal (officer and staff) chaplain contacts continued albeit mostly via phone calls, emails and outdoor in person visits. I was however able to, with proper safety protocols, attend a few departments roll calls with the officers. During one of those roll calls an officer shared how they handled a death scene on their own utilizing information they had gathered from our involvement together on previous death scenes. Another inspiring example of the dedicated commitment to our community by our officers!

Rev. Patricia Clearence, our Lexington and Centennial Fire Chaplain who also handles CLPD call outs when I am not available, was able to assist on a few external requests from officers during the year. A heartfelt thank you to Rev. Clearance for her dedicated service to our officers, staff, firefighters and community!

July 14th through the 16th I was blessed to join the International Conference of Police Chaplains (ICPC) online for their annual training. Having been able to attend four of the ICPC regional trainings in previous years but because of location and costs unable to attend the national events this free online training was one of the good outcomes of the pandemic period. As chaplains we were reminded anew of the pressures and stresses our officers and families are facing in today's climate. Reaching out to all of the officers and staff after this training I shared my continued commitment to remember them daily in prayer for courage, strength, safety and wellbeing.

On August 6th I was pleased to meet with our new Chief of Police James Mork to go over with him CLPD's chaplain program. I'm most grateful to Chief Mork for his commitment to continue with the chaplaincy services of which I am honored to be a part of.

Unable to continue our tradition of having officers over for Christmas Eve dinner because of the pandemic, I delivered meals prepared by my wife to the department for those who were assigned to work that evening. We join with numerous others in our communities thanking our excellent caring and compassionate officers for their continued dedication and service to us.

Respectfully,
Chaplain Joel Heckman

Community Emergency Response Team

**2020
marks the 12th year
that the
Community Emergency
Response Team
(CERT)
has been part of the
Centennial Lakes
Police Department!**

**CERT Coordinator
Michelle Lakso**

CERT is a well-trained and highly motivated group of volunteers from the Centennial Lakes community. They are available to support police and other first responders in the event of an emergency. They learn basic medical operations, personal safety and a variety of other important skills that are useful at a moment's notice. Team members are a strong asset to the community emergency management capabilities and are the basis for an effective and comprehensive community disaster response.

Over the year, CERT rosters were kept updated. Despite being unable to provide the usual in-person training, the group remained ready to support any mission that came their way. That is why, over the summer of 2020, several CERT members worked alongside of police department personnel to support a peaceful march organized by community members. CERT members proudly assisted officers with traffic control and event safety.

When safe to do so, CERT coordinators hope to see everyone from the team back in the classroom for training and participation opportunities!

Reserve Officer Unit

The Centennial Lakes **Reserve Officer Unit** is comprised of community members who volunteer their time to fulfill several roles around the Police Department. The Centennial Lakes Police Department is proud to have Reserve Officers willing to get involved for the better of their community.

Reserve Officers are uniformed and look similar to a sworn Police Officer. Police Reserves perform volunteer services and assist full-time officers protecting and serving our communities of Circle Pines, Centerville, and Lexington. Tasks performed are those permitted by law and authorized by the Police Chief including patrolling neighborhoods and parks, controlling traffic and crowds at crashes and events, assisting officers with inventory of impounded vehicles, and securing crime scenes.

Each Reserve Officer must successfully pass the department Field Training program. This training includes legal issues, radio usage, use of force, traffic control, and first aid.

In 2019, the Reserve Unit volunteered 504 hours of their time to the department. Twenty former Reserve Officers have gone on to careers in law enforcement. Some have remained with Centennial Lakes while others have been employed with other state, county, and local departments."

Due to Covid-19, Reserve hours were brought to a minimum for 2020. The Reserve program for 2021 is looking to add more reserve officers and has expand the unit adding Officer Mannin and Officer Larson as coordinators.

Reserve Sergeant
John Yarwood

Reserve Officer
Matt Lindsey

Reserve Officer
Josh Posterick

Emergency Medical Response

Working within a pandemic created a new set of challenges for officers, especially when responding to medical emergencies. In 2020, CLPD Officers responded to over 500 medical calls. Early in the year, officers were issued N95 masks and other personal protection equipment to assist in the reduction of COVID-19 infection. Officers took other precautions as well, to reduce spread of the virus and to protect our vulnerable populations.

All CLPD Officers are either certified **Emergency Medical Responders, Emergency Medical Technicians (EMTs) or Paramedics**. In addition, we carry in our patrol vehicles a wide array of life-saving equipment including automatic external defibrillators (AEDs), Narcan (anti-opioid overdose kits), oxygen, tourniquets, airways, and the revolutionary ResQPUMP System to assist in delivering chest compressions during CPR.

In most cases our officers are the first to arrive on the scene of a medical emergency and are able to stabilize a situation until Fire/Rescue and/or an Ambulance Paramedic Unit arrives. CLPD Officers are the first essential link in the chain of critical care for victims of injuries or illnesses.

Anything can happen to anyone at any time! Fortunately, we are generally positioned to respond quickly when minutes can make the difference between life and death or at least minimizing the long-term adverse impacts of a medical situation. Early response and intervention have been shown to have a critical impact in a variety of medical emergencies.

Our officers have delivered medical aid and equipment that were saved lives and improved the prospects of a full recovery for countless victims of medical emergencies. We find that it is reassuring to our citizens to know that we are trained, equipped, and readily available to respond to any and all emergency medical situations.

Many of our officers have been honored with life-saving awards and medals for everything from resuscitating the victims of heart attacks, to bringing back the victims of drug overdoses, to delivering babies. Even the victims of less critical situations can be made to feel reassured and comforted by the presence of a Police Officer/Medical First Responder.

We are very proud to be an important component of our local emergency medical response system and of the partnership that we have established with other area EMS providers including our local Fire Departments and Ambulance Services. It is an exceptionally high level of partnership and service that assures our citizens of the very best in critical emergency medical response and care. It is also one more important example in which we are serving and protecting the citizens of our three Cities.

Training

Centennial Lakes Police Officers are consistently attending both mandatory and elective **training** throughout each year. This training includes use of force, firearms/active shooter, and emergency vehicle operations. 2020 was a difficult year to maintain in-person trainings which we have attended in years past. With the influx of web-based training, we were able to accomplish a lot of our mandated training. Through our Daily Training Program, officers were able to continue to revisit department policy, watch videos, conduct real-life scenarios, and discuss current events. We hope 2021 will afford more in-person training opportunities as restrictions lighten.

Patrol Division

Corporal Andy Dixon

Officer Rey Hernandez

Officer Jon Krueger

Officer Katy Mannin

Officer Lucas Frederickson

Officer Bryan Johnson

Officer Logan Larson

Officer Tyler Schroeder

Officer Brian Goetzke

Officer Faheem Karim

Officer Haley Linder

Officer Benjamin Stepan

Social Media

CLPD has continued to use social media as an upfront outlet to the news, happenings, and pulse of the department and community alike. The number of followers we have generated on Facebook, Instagram, and Twitter continues to grow and keep us connected with citizens.

The goal of the CLPD social media outlets is to let you know we care, we are here for you, and as always, we encourage you to call us if you need us.

We hope to reach even more citizens in the years to come, and let all know we live and work in a great community.

The social media team includes: Corporal Dixon, Officer Stepan, and Officer Linder. In the true sense of the CLPD motto, "Serving with Courage and Compassion", we thank you kindly and are proud to do this job.

Prescription Drug Drop-Off Program

The Centennial Lakes Police Department is one of many sites where unused prescription medication can be dropped off as part of the **"Anoka County Prescription Drug Drop-Off Program."** This gives community members the opportunity to bring in unwanted or expired prescription medications to be disposed of in a way which is safer for the environment.

This program maintains to be extremely popular. The drop off station in our foyer was emptied several times throughout 2020. Several hundred pounds of medications were collected and safely destroyed.

Community Engagement

Members of the Centennial Lakes Police Department have the good fortune to participate in many community outreach events, ranging from Night to Unite, preschool visits, parades, children's safety talks, and many more.

Unfortunately, due to the pandemic, many of the events were cancelled during 2020.

Community Engagement

Night to Unite - Assisting Patriot Ride - Safety Day - School
Safety Patrol - Elementary School Liaison - Coffee with a cop

Community Engagement

Public Safety Week - Elementary Mentor Program - Police Tour - Centerville Fete Des Lacs Festivities - Bike with a cop

Community Engagement

School Parades - Senior Citizen Events - Polar Plunge -
Torch run - Heroes and Helpers - Community Service

Video Production

Municipal Producer, Trevor Scholl, completed five productions in April. The shows included two episodes of Mayor's Minutes, a business matters profile, and updates to the City of Blaine's safety training meeting. Programs were also produced by T.J. Tronson for the city channels. Trevor reaches out to city officials and department contacts, every month, regarding potential programming for the channels. City staff and elected officials are encouraged to contact Trevor with any ideas or requests for programming.

▪ April Completed Videos/Playing on City Cable Channels & Streaming

Title	Producer	Runtime
Lexington Mayor's Minutes: Spring 2021	Trevor Scholl	00:04:48
Blaine Mayor's Minutes: Spring 2021	Trevor Scholl	00:04:36
Business Matters: STEM Builders of Blaine	Trevor Scholl	00:05:27
City of Blaine: Safety Training Meeting	Trevor Scholl	00:45:00
Ham Lake Welcomes New Fire Chief	Trevor Scholl	00:04:30
Anoka County Board Meeting (4/13/21)	T.J. Tronson	01:11:23
Anoka County Board Meeting (4/27/21)	T.J. Tronson	01:35:52

Some projects that Trevor is working on or is scheduled to produce include:

- Property marker video for Blaine
- Business profiles
- Retail theft video
- Quad Area Chamber of Commerce video
- BPD hearing impaired relations
- Lino Lakes public works profile
- Wetland Sanctuary series
- Bonfire safety videos
- Lino Lakes fire recruitment updates
- Circle Pines virtual tour

Equipment Consulting/Technical Support

Blaine

- No assistance required.

Centerville

- 4.22.21: Teresa was having trouble getting the city channel on the screen at city hall. Seems to be a set-top box issue. Tested the whole system and figured out how to use the in-chamber TVs and how to select different sources. Showed Teresa how to access the Brightsign in the chamber with her laptop to schedule presentations. Contacted Comcast to get an HD set-top box.

Circle Pines

- No assistance required.

Ham Lake

- 4.20.21: Document camera acting up and Ross system wouldn't start. Found strange coding in notepad. Deleted row of code and program opened back up. Made a back-up of show data file that is uncorrupted and can replace the other if it gets corrupted again.
- 4.28.21: Met with Don Krueger at the fire station. Checked out the video and teleconferencing set-up. Don wants the system tested from top to bottom and to have anything fixed that isn't working. Also looked into ordering new equipment for him for taped sessions. Recommended new presentation computer. Want to test teleconferencing through NMTV master control. Will have to coordinate with staff. They also want a camera mounted on the wall to shoot council during emergency settings or as back-up should the city hall system go down.

Lexington

- No assistance required.

Lino Lakes

- No assistance required.

Spring Lake Park

- 4.6.21: Audio problem at City Hall. Same problem that has been there since Alpha Video installed the system a decade ago. Not sure how much we can change but will attempt.

All Cities

- No assistance required.

Channel Management

Programming Coordinator, Michele Silvester, along with help from Eric Houston, and Trevor Scholl, is responsible for processing and scheduling the programming on the City channels. There are three categories of programs that are scheduled on the City channels; live and replayed meetings, NMTV staff created video content, and informational graphics pages. All categories of programming must be encoded, scheduled, and entered into the Tightrope playback system or entered into the Carousel video files. As each live meeting is being recorded at City Hall, it is routed to the North Metro TV head-end and then sent out over the cable system live. At the same time it is also encoded on a server for future playbacks. The following meetings were processed in April:

Title	Producer	Runtime
Blaine City Council Meeting (4/5/21)	T.J. Tronson	02:06:09
Blaine Planning Commission Meeting (4/13/21)	Trevor Scholl	01:33:28
Blaine City Council Meeting (4/19/21)	Trevor Scholl	02:06:09
Blaine Natural Resources Conservation Board Meeting (4/20/21)	T.J. Tronson	01:00:55
Blaine Park Board Meeting (4/27/21)	Trevor Scholl	01:01:21
Centerville Park & Rec Meeting (4/7/21)	Centerville Staff	03:16:28
Centerville City Council Meeting (4/14/21)	Centerville Staff	02:07:27
Centerville EDA Meeting (4/21/21)	Centerville Staff	02:14:38
Centerville Planning & Zoning Meeting (4/26/21)	Centerville Staff	06:05:43
Centerville City Council Meeting (4/28/21)	Centerville Staff	04:20:32
Circle Pines City Council Meeting (4/13/21)	Patrick Willson	00:07:08
Circle Pines Utility Commission Meeting (4/21/21)	Patrick Willson	00:47:41
Circle Pines City Council Meeting (4/27/21)	Patrick Willson	01:07:45
Ham Lake City Council Meeting (4/5/21)	Patrick Willson	00:30:14
Ham Lake Planning Commission Meeting (4/12/21)	Patrick Wilson	01:07:37
Ham Lake Planning Commission Meeting (4/26/21)	Patrick Wilson	01:40:33
Lexington City Council Meeting (4/1/21)	Lexington Staff	00:54:03
Lexington City Council Meeting (4/15/21)	Lexington Staff	00:10:15
Lino Lakes Environmental Board Meeting (3/31/21)	Lino Lakes Staff	01:48:21

Lino Lakes Planning & Zoning Meeting (4/14/21)	Lino Lakes Staff	01:30:37
Lino Lakes City Council Meeting (4/26/21)	Anne Serwe	00:37:40
Spring Lake Park City Council Meeting (4/5/21)	Isaac Quick	01:11:15
Spring Lake Park City Council Meeting (4/19/21)	Isaac Quick	00:33:24
25 New Programs		39:46:09 New Hours

Meetings are scheduled for replay based on schedules requested by each City. Additional longer-length video programming, produced by NMTV staff, is also scheduled on the channels. With the arrival of the Carousel units, shorter-length videos and promos are loaded onto those devices, rather than being scheduled as separate playbacks. The short videos cycle through, with graphics pages, and play on the channels whenever a scheduled program is not playing. Depending on whether a City selected the split screen or full screen Carousel option, the shorter videos are cycling 24 hours a day. The table

below outlines how many times a longer-length video program was entered into the Tightrope system, and played back on each City channel.

City	Number of Times Programs Played	Hours Programmed on Channel
Blaine	174	315:08:05
Centerville	48	131:51:44
Circle Pines	139	80:42:20
Ham Lake	59	69:27:44
Lexington	94	58:24:23
Lino Lakes	75	71:54:45
Spring Lake Park	88	80:14:09
Totals:	677 Program Playbacks	807:43:10 Hours of Video Programming on Channels

The last category of programming on City channels consists of bulletin board, or graphics pages, that display information about the City or about events and issues of interest to citizens. With the installation of the Carousel units, Eric Houston has assumed responsibility for updating the information on all seven channels. He works closely with each City's representative to ensure that all requested data slides are created and posted to the satisfaction of the City. Even though Eric is doing the work of creating the data pages, the Cities maintain editorial control. In addition to the graphics pages, the Carousel units play video. Trevor Scholl is responsible for encoding any short videos that are displayed. The following work was done for City Carousel units in April:

Blaine

- Transcoded and uploaded 2 videos to Carousel.

Centerville

- Transcoded and uploaded 0 videos to Carousel.
- Followed up with city staff after zoom bombing incident

Circle Pines

- Transcoded and uploaded 0 videos to Carousel.

Ham Lake

- Transcoded and uploaded 0 videos to Carousel.

Lexington

- Transcoded and uploaded 1 video to Carousel.
- Emailed copies of all slides currently running on Lexington Carousel.

Lino Lakes

- Transcoded and uploaded 0 videos to Carousel.

Spring Lake Park

- Transcoded and uploaded 0 videos to Carousel.
- Created 5 new data pages for Carousel.

All Cities

- Circulated an article on how to prevent zoom bombing.

Meetings on Demand

NMTV has created a video on demand service, with line-item bookmarking, for our Cities' meetings. In order to accomplish this, each encoded meeting has to undergo several steps. The meeting must first be transferred and transcoded from the playback server to the video on demand server. Once that is done, a staff member must go through the meeting entering a bookmark at the start of each meeting line-item, and enter the corresponding line-item information. Next, the meeting is linked to the NMTV website's city meeting page for video on demand. The following number of meetings were bookmarked and/or placed on VOD for the Cities in April:

- **Blaine**
 - 5 meetings bookmarked and placed on VOD.
- **Centerville**
 - 5 meetings bookmarked and placed on VOD.
- **Circle Pines**
 - 3 meetings bookmarked and placed on VOD.
- **Ham Lake**
 - 3 meetings bookmarked and placed on VOD.
- **Lexington**
 - 2 meeting placed on VOD.
- **Lino Lakes**
 - 5 meetings bookmarked and placed on VOD.
- **Spring Lake Park**
 - 2 meetings bookmarked and placed on VOD

Administrative

The issues dealt with in April included receiving and analyzing first quarter franchise and PEG fee reports, franchise re-drafts, further research into possible closed captioning solutions, reviewing the 2020 audit, and monitoring activity regarding the FCC's 621 Order.

- **First Quarter Franchise and PEG Fees**
 - Received the Comcast first quarter franchise fee and PEG fee payments and reports.
 - Franchise fees were \$3,512 lower than they were in the 4th quarter of 2020. Interestingly, the first quarter payment in 2021 is almost \$9,000 more than the first quarter of 2020.
 - PEG fees decreased by \$2,655.
 - CenturyLink pulled out of the market in December of 2020 so we will no longer receive fees from them.
 - Created 2021 spread sheets for PEG fees received, franchise fees received, and gross revenues.
- **FCC 621 Order**
 - Oral arguments took place on April 15, 2021.
 - Reviewed Legal Counsel notes regarding oral arguments.

Closed Captioning

- Met with Daniell Krawczyk of Municipal Captioning Inc. to discuss options for introducing captioning to the NMTV system.
- Learned about pros and cons of various systems.
- Received recommendations and a quote for a captioning option.

Franchise Renewal

- Reviewed changes made to draft franchise document.
- Met with Legal Counsel to consider changes to PEG language.
- Researched PEG options.
- Reviewed additional draft with changes.
- Met with Legal Counsel to finalize draft to be submitted to Comcast.

Miscellaneous

- Met with staff to discuss recording Centerville meetings.
- Reviewed annual audit of the Commission.
- Returned call to Blaine resident to assist with Comcast issue. Issue had been resolved but the resident noted that she was happy to know that a “real person” was available to help with any future issues.
- Read industry articles.

North Metro TV

April 2021 Update

Program Production

In April, a total of 64 **new programs** were produced utilizing the North Metro facilities, funds, and services. This constitutes **72:00:00 hours of new programming**.

- 20 programs were produced by the public
- 37 programs were produced by NMTV staff
- 7 programs were produced by City staff

Van Shoots

The HD production truck was utilized for 18:00:00 hours of production in April. The following events were produced live and recorded for additional playback:

- Boys & Girls Track & Field: Centennial vs. Blaine
- Girls Lacrosse: Elk River vs. Centennial
- Boys Volleyball: Blaine vs. Centennial

vMix Live Streaming Shoots

The vMix single camera production system was utilized to record/transmit live three high school sporting events. The vMix system requires significantly fewer staff members, than the production truck. vMix crews are spread out over multiple locations and connected via the internet.

- Baseball: Armstrong vs. Blaine
- Boys Lacrosse: Armstrong vs. Blaine
- Boys Lacrosse: Roseville vs. Spring Lake Park/Coon Rapids

Mayor's Minutes

Municipal Producer, Trevor Scholl, produced two episodes of Mayor's Minutes in March. The program gives Mayors an opportunity to update residents on all the important issues and events taking place in the city. All Member City mayors are invited to participate. This month, Mayor Sanders of Blaine and Mayor Murphy from Lexington were able to participate.

Seasonal Sports Coverage

With the end of winter sports, coverage opportunities for NMTV are winding down as well. The short spring season provides some opportunities with baseball, softball, lacrosse, and track and field, but are often impacted by field conditions and weather. Still, with our expanded capabilities with single camera live systems we are covering as many games as we can. Certainly, parents and grandparents appreciate being able to see the games live-streamed!

"Thank you very much for streaming the Blaine/Centennial boys volleyball game. We are the grandparents of a Blaine player and since we cannot attend, we so appreciate being able to live stream. The announcers were excellent and did a WONDERFUL job. Thanks again."

-Phyllis & Wayne Rechtzigel

Live Streaming Requests

NMTV continues to receive requests to live stream events. T.J. Tronson is currently scheduled to live stream six events for Blaine High School, including concerts, a play, the Girls Virtual Hockey Banquet, and the Center for Engineering Mathematics and Science senior class presentations. We are also scheduled to live-stream a special event for Stepping Stones Emergency Housing.

Class Additions and Changes

Instructor, Eric Houston, continues to create new workshops. This month The Oscars: 90 Years of the Academy Awards and the mini-class Tim Curry Horror Picture Show were added to our library. Interest and comfort levels with in-person classes is on the rise, so Eric is working to get back to presenting his classes in-person. We are hoping to start working with our workshop partners (senior centers, senior living facilities, community education, Park & Rec, History Center etc.) to bring the service back to their facilities as soon as possible. Prior to the pandemic, Eric was receiving requests from several facilities outside of our service area. All classes provided for organizations outside of the Member Cities are done so for a fee. Classes provided to facilities/organizations within our Member Cities are done free of charge.

"I thoroughly enjoyed this! Learned some new facts about my most favorite animation producers and joyfully reminisced too. Thank you so much for the work/research you have done here."

-Yellowmass Sky on Yabba-Dabba-Do

Drone Flights

Special Events Coordinator and UAS Remote Pilot, T.J. Tronson, is working on FAA drone authorizations for two flights within the Anoka-Blaine airport restricted area. The flights have been requested by the City of Blaine for a Highway 65 traffic study and by Blaine's Water Resource Manager, Rebecca Haug, for some wetland aeriels. Permissions have been granted by the FAA, but we also require permission from MnDot to fly close to Highway 65. According to regulations, we are not allowed to fly over moving vehicles, people or businesses. T.J. has created a flight route that would keep the drone within regulations while obtaining the desired footage.

Anoka County Job Training Center Partnership

Darcy Hokkanen, Program Coordinator for the Anoka County Job Training Center, became familiar with NMTV through our participation with the Metro North Chamber of Commerce's virtual career fair. She runs a program for local youth who are poor or disabled to help them enter the job force. She had a young man in mind for us, who is interested in working in media and wondered whether we would be interested in working with the program. We already work with young people with special needs and were happy to participate. We also recommended that one of the young men we already work with might be a good fit for her program. Anyone partnered with NMTV, through the job training partnership, would be employed and paid by the program, but would work under the direct supervision of North Metro TV staff.

City Productions

In April, Municipal Producer, Trevor Scholl, completed four productions. The shows included two episodes of Mayor's Minutes, a Blaine STEM academy profile, and an update to Blaine's safety training meeting. Programs completed include:

- Lexington Spring Mayor's Minutes
- Blaine Mayor's Minutes
- Business Matters: STEM Builders of Blaine
- City of Blaine: Safety Training Meeting

New and ongoing projects include:

- Property marker video for Blaine
- Business profiles
- Retail theft video
- Quad Area Chamber of Commerce video
- BPD hearing impaired relations
- Lino Lakes public works profile
- Wetland Sanctuary series
- Bonfire safety videos
- Lino Lakes fire recruitment updates
- Circle Pines virtual tour

Trevor touches base with contacts on a regular basis and also encourages Cities to contact him whenever they have an idea for a new show.

**THE CITY OF LEXINGTON
ANOKA COUNTY, MINNESOTA**

ORDINANCE NO. 21-02, SECOND SERIES

**AN ORDINANCE RELATING TO AND REGULATING TARGETED PICKETING IN
RESIDENTIAL NEIGHBORHOODS IN THE CITY OF LEXINGTON**

WHEREAS, the City Council finds that targeted residential picketing in front of or about a residential dwelling causes emotional distress to the dwelling occupants, obstructs and interferes with the free use of public rights-of-way and has as its object the harassment of the dwelling occupants; and,

WHEREAS, the City Council further finds that, without resorting to targeted residential picketing, ample opportunities exist for those otherwise engaged in targeted residential picketing to exercise constitutionally protected freedom of speech and expression; and,

WHEREAS, the protection and preservation of the home is the keystone of democratic government; the public health and welfare and the good order of the community require that members of the community enjoy, in their homes and dwellings, a feeling of wellbeing, tranquility and privacy and, when absent from their homes and dwellings, carry with them the sense of security inherent in the assurance that they may return to the enjoyment of their homes and dwellings; the practice of picketing before or about residences and dwellings causes emotional disturbance and distress to the occupants, obstructs and interferes with the free use of public sidewalks and public ways of travel; such practice has as its object the harassing of such occupants and, without resort to such practice, full opportunity exists, and under the terms and provisions of this section, will continue to exist for the exercise of freedom of speech and their constitutional rights; and that the provisions hereinafter enacted are necessary for the public interest to avoid the detrimental results herein set forth.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF LEXINGTON, MINNESOTA, HEREBY ORDAINS AS FOLLOWS:

SECTION 1. DEFINITIONS. For the purpose of this section, the term "targeted residential picketing" means:

- (1) Marching, standing, or patrolling by one or more persons directed solely at a particular residential building in a manner that adversely affects the safety, security, or privacy of an occupant of the building; or
- (2) Marching, standing, or patrolling by one or more persons which prevents an occupant of a residential building from gaining access to or exiting from the property on which the residential building is located; or
- (3) Standing, marching, patrolling or picketing by one or more persons focused in front of or adjacent to a particular residential dwelling without the consent of that dwelling's occupants.

SECTION 2. PURPOSE. The city has an interest in the protection of residential privacy, the wellbeing and tranquility of the home, and protecting citizens from unwanted speech when they are a captive audience within their homes. The city council finds that, without resorting to targeted residential picketing, ample opportunities exist for those otherwise engaged in targeted residential picketing to exercise constitutionally protected freedoms of speech and expression.

SECTION 3. PROHIBITED ACTIVITY. No person shall engage in targeted residential picketing within the City.

SECTION 4. VIOLATION/PENALTY. Every person convicted of a violation of any provision of this Ordinance shall be guilty of a misdemeanor.

SECTION 5. SEVERABILITY. Should any section, subdivision, clause or other provision of this Ordinance be held to be invalid by any court of competent jurisdiction, such decision shall not affect the validity of the Ordinance as a whole, or of any part thereof, other than the part held to be invalid.

SECTION 6. EFFECTIVE DATE. This Ordinance shall take effect and be in force from and after its passage and publication.

ADOPTED by the City Council of the City of Lexington this 20th day of May, 2021.
